Keith and Allison Brown have enjoyed ownership of Forestar Golf Sales Ltd. since January of 2001. Together, they have accumulated nearly 60 years of combined work experience in the golf business.

Keith began his career as a Pro Shop assistant at Green Acres GC in Richmond in 1976. He quickly realized the golf business was his passion and after joining the CPGA of BC in 1980 enjoyed another 20+ years in professional golf. His experience includes pro shop and driving range management and ownership, teaching and merchandising and of course wholesale distribution.

Allison grew up in a golf business family and worked part time and summers in the golf shop at Musqueam Golf Centre in Vancouver from 1974 to 1978. She left to pursue a career in nursing as well as to raise a family. Retiring from nursing in 2007, she has managed the day to day affairs at Forestar Golf since then.

Together, Keith and Allison share an exceptional work ethic, immense pride of ownership, and a total commitment to customer service.

Keith and Allison have 3 grown children and 5 grand children to keep them busy when not working the business or taking time out on the water.

## Ball Dispensers

GL8

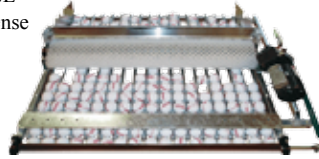

### GREENLINE GL SERIES

The Green Line puts Range Servant's time-tested Grid and Cradle System in an attractive housing that is right at home at the Golf Course or Stand-Alone Range. All GL Golf Ball Dispensers are made of Aluminum, Stainless, and galvanized Steel with a green powder coated ALUMINUM cabinet that will not crack, peel, or (most importantly) rust. Since the GL Series uses the same parts as in our biggest machines; you are assured that, no matter how busy your range gets, our Golf Ball Dispensers will keep on dispensing clean and counted balls for years to come.

Call us today to find out why our Golf Ball Dispensers are the best selling in the world.

### ULTIMA SERIES

A Suped-Up version of a classic, the Ultima "Flat Top" dispenser is the most flexible and reliable golf ball dispenser available today. Building on 25 years of experience at the driving range, The Ultima provides today's range owner with the best opportunity to sell more golf balls. Infinitely flexible, you can sell any size bucket. You can tailor your smalls, mediums, and larges to increase revenue and keep your customers coming back for more.

- Smart Circuitry for maximum flexibility
- 3 Bucket sizes of any ball count
- 59" Tall - easy and safe to load
- Photo-sensor counts each ball
- Tokens, cash, range cards, e-keys, and credit cards

Call us to begin designing a custom system for your facility!

### HIGH VOLUME RANGE?

If you think your range is busy, then look no further!

These "Cone Top" models are extremely versatile and designed to be loaded with any of our world renowned automation products.

Whether filled by our Elevator or Blower, our Ball Management Systems are quiet, cost effective, and space efficient.

The Ultima Infinity Belt System allows the same flexible bucket sizing as it's "Flat Top" brother.

Cone top dispenser models are available in single or dual outlet designs. With capacities ranging from 8,000 to 43,000 balls, our dispensers can meet the demands of any range. Designed to be loaded with the Range Servant ball elevator or blower system.

DRIVING RANGE

## Ball Washer - TWISTER 1

The RS-Twister 1 Golf Ball Washer is a perfect choice for low to medium volume driving ranges. Made with high-grade Steel, powerful drive motors, and a unique spiral track that sorts out debris RS-Twister 1 Golf Ball Washer will provide you with years of maintenance-free ball washing. Self-contained water tank makes the RS-Twister 1 a perfect solution for ranges with limited space and/or drainage concerns.

RS Twister 1 Washer - RS.WT0001 - 15,000 balls/hr., 600 ball sorting bin

## Ball Washer - TWISTER 3

The RS-Twister 3 Golf Ball Washer is a perfect choice for medium to high volume driving ranges. Made with high-grade Steel, powerful drive motors, a larger diameter brush and a unique spiral track that sorts out debris RS-Twister 3 Golf Ball Washer will provide you with years of maintenance-free ball washing. Self-contained water tank makes the RS-Twister 3 a perfect solution for ranges with limited space and/or drainage concerns.

RS Twister 3 Washer - RS.WT0002 - 30,000 balls/hr., 800 ball sorting bin

## Ball Washer - TWISTER 4

The RS-Twister 4 Golf Ball Washer provides all of the features of the RS-Twister 3 washer but adds a unique self loading feature that simultaneously washes then elevates clean balls into a storage hopper or ball dispenser.

RS Twister 4 Washer - RS.WT0004 - 30,000 balls/hr., 1200 ball sorting bin

At 36" in height the Presoaker 4000 is easy to load and the 70 gallon tank holds up to 4,000 balls. Once soaked, golf balls are elevated by an adjustable-speed belt that can be dialed to match any ball washer on the market. The belt is perforated so dirty water stays in the tank. Add your favourite detergent (non-chlorinated) to help deal with those extra dirty days.

Stainless steel, aluminum and commercial grade PVC construction.

Soaker 4000 - RS.WIM.0002 - 20,000 balls/hr., 4000 ball capacity

## Ball Soaker 4000

Soaker 4000 shown coupled to BT1950 washer

Soaker 4000 shown coupled to RS38K washer

+ 30,000 balls per hour...from a long distance

No more hauling balls from the wash barn over to the pro shop! Just press a button and shoot clean range balls from any make or model of ball washer directly to the dispenser!

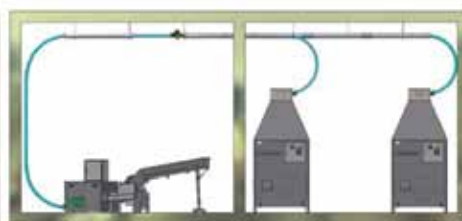

If your range has a ball washing room far away from your golf ball dispenser, look no further! The Range Servant Blower System is the automation solution for you. With almost limitless flexibility the RS Blower, at 500 balls per minute, can quickly and reliably fill one or several golf ball dispensers at the touch of a button.

Designed to minimize labor and isolate ball washing to a remote area, the RS Blower makes your range efficient, clean and safe. When filling more than one golf ball dispenser, our Manifold Diverter allows you to automatically direct balls to the ball dispenser that needs balls.

## Ball Blower 1.1, 2.5, 4.5

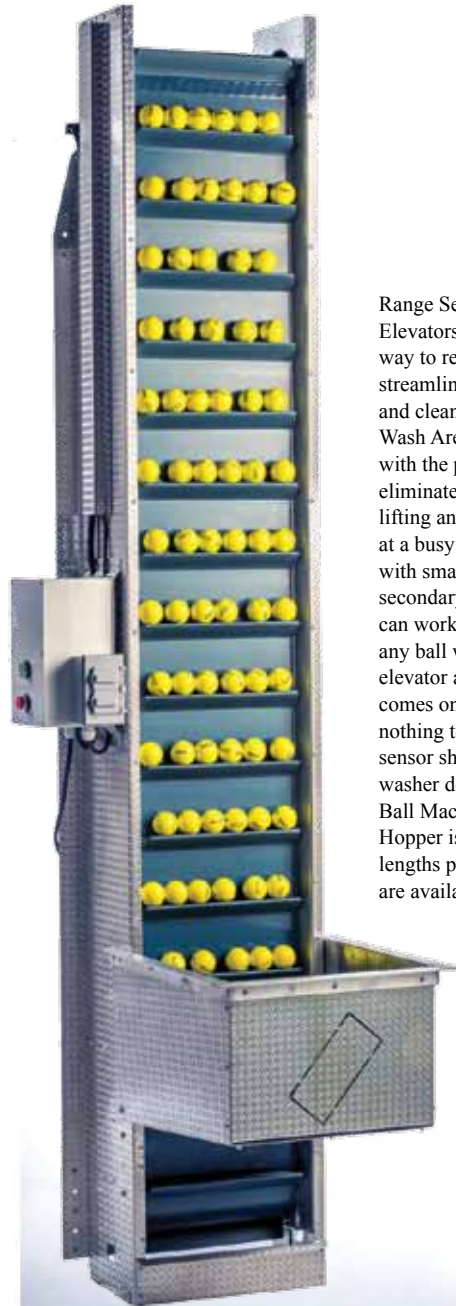

Range Servant Blower Module

We routinely custom design systems to fit any application. Call us for a no charge consultation to find out all about the many options that are available to you from Range Servant today!

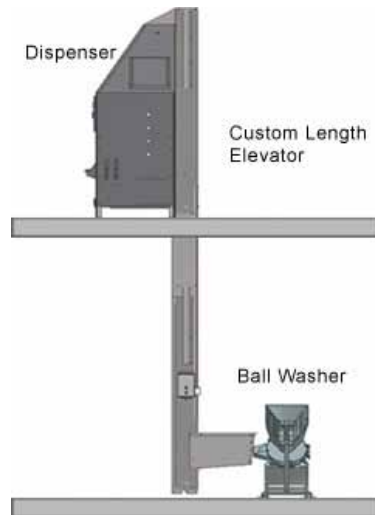

## Elevator 1.8, 2.1, 2.3

Range Servant Golf Ball Elevators are the quickest way to reduce labor, streamline ball handling, and clean up your Ball Wash Area. Easily activated with the push of a button, it eliminates the back breaking lifting and loading prevalent at a busy range. Equipped with smart controls and a secondary power supply, it can work in tandem with any ball washer. Turn on the elevator and the ball washer comes on as well. Leaving nothing to chance, a photo-sensor shuts the elevator and washer down when your Ball Machine or Storage Hopper is full. Four stock lengths plus custom lengths are available.

- Rust proof stainless & aluminum
- Automatic overflow protection
- Dramatically reduces labor & heavy lifting
- 500+ balls per minute
- Zero friction stainless belt track
- Secondary power outlet for synchronized washer function
- Adaptable to any Golf Ball Washer
- Direct Drive Motor, not drive belts or gears
- 3 year warranty

### Advantage **GT**

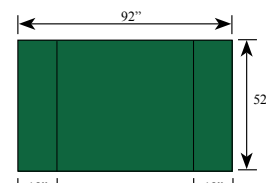

R-1620SGT

R-1620GT

R-1620SGTPLUS

R-1620GTPLUS

Tartan Turf Mat Systems give you more choices than ever before. A top performing investment the day it arrives and into the future as well! This mat system give your customers 3 way practice. Whether hitting right from the mat, from the hitting panels, or from a tee, your customers will be able to practice all of their shots. Single and Double sided models available. Advantage model features standard 12" wide hitting panels. Advantage Plus features extra wide 18" hitting panels.

### Tartan Contry Club Tee Up Mat - R-1616CC

The closest comparison to real grass in a 5x5 mat. We use 110 oz face weight nylon and closed cell foam pad for a feel that's lush, forgiving, and realistic. It is so close to real grass that you can even use a wooden tee.

### Tartan Classic Mat - R-1616

Available in Classic and Stance model with tough 100% nylon turf and 5/8" shock pad. (58.5" x 58.5")

### Tartan Classic Stance - R-1615

Stance mat same as Classic. Sizes to fit all systems.

### Insert Hitting Panels

Tartan Turf Hitting Panels  
Available to fit any system - R-1620SHP

Monster Mat Hitting Panels  
Available to fit any system - R-161GTSM

## Range Mats

### **Monster Mat** (58.5" X 58.5") - R-161B100 -

The Toughest Mat in the Industry! Z-Pro polypropelene fibres out last nylon 3:1. Premier shock elimination system. Patented backing system 1 1/8" turf with 5/8" shock pad

### **FS Teaching Mat**(5' X 5') - R-1605

Durable turf, forgiving shock pad, and alignment lines and swing path guide woven right into the turf. Great value and performance

### **FS Teaching Stance Mat**(46.5" X 46.5") - R-1605-Stance

Durable turf, forgiving shock pad, and alignment lines and swing path guide woven right into the turf. Great value and performance

### **Premium Fairway Mat** (5' x 5') R-1606

Dual Fibre Fairway Range Mat simulates true fairway conditions. At 2" total thickness and 1" of 100% Nylon Turf, this Mat will play better and last longer than any range mat you've ever tried.

Our range balls feature an extra durable, yet soft feeling cover that out performs the biggest names in the game! Call for details!
