

Welcome to Forestar Golf Sales, your premier source for driving range equipment, balls, mats, accessories, and golf course supplies across Canada. Since our establishment in 1978, Forestar Golf Sales has proudly held the position as Canada's leading provider in this niche market. Founded by PGA of Canada Professionals, our company continues to be operated by dedicated PGA of Canada Professionals who bring a wealth of experience and expertise to every aspect of our business.

At Forestar Golf Sales, we boast a unique understanding of the needs of the Canadian golf industry, spanning from coast to coast. This insight allows us to curate a comprehensive range of high-quality products that cater specifically to the diverse demands of driving ranges and golf courses throughout Canada. Whether you're looking to upgrade your equipment, enhance your facilities, or simply restock essential supplies, we are committed to providing top-notch solutions tailored to your requirements.

Forestar Golf Sales is proud to be the exclusive Canadian distributor of Range Servant, the global leader in golf driving range equipment, since they introduced their first golf ball dispenser in 1982.

Forestar Golf Sales is also a distributor for leading golf brands, including Bayco, Standard Golf, Golf Sign & Design, and many more.

Ball Washers

Twister H20

The Twister H2O includes an enhanced brush for driving ranges with less than "ideal" conditions, including mud, sand & cut grass clippings. This enhanced brush has deeper penetration on the golf ball, allowing it to remove the more stubborn debris. The Twister H2O also features an enhanced motor, allowing it to clean 22K balls per hour - and offering enhanced protection from water damage.

RS.WH20

Cleaning Rate: 22,000 Balls/Hour
Dimensions: 33Lx19Wx30.5H
Hopper Capacity: 500 Balls
Water Capacity: 8 Gallons

Sealed Motor

Electrical: 110 Volt

• Motor: 1/2 HP

Twister III

The RS-Twist XL Range Ball Washer is the perfect choice for medium volume driving ranges. All Twist washers are made with high-grade Steel, powerful drive motors, and a unique spiral track that sorts out debris. RS-Twist XL Golf Ball Washers will provide you with years of maintenance-free ball washing. With a compact design and self-contained water tank, it's the perfect solution for ranges with limited space and/or drainage concerns.

25,000 Balls/hour

Heavy duty nylon brush

Patented steel spiral

- Debris falls thru the spiral
- Reduces jams
- Heavy gauge galvanized steel construction

Driving Range Mats

Classic Mats

Our Classic Mat is a durable turf design with forgiving shock pad technology. Great value and performance.
R-1605-C

Fairway Pro Mat

Dual Fiber Fairway Range Mat simulates true fairway conditions. At 2" total thickness and 1" of 100% Nylon Turf, this Mat will play better and last longer than any range mat you've ever tried.

R-1606

Classic Teaching Mat

Durable turf, forgiving shock pad, and alignment lines and swing path guide woven right into the turf. Great value and performance.

R-1605

Driving Range Mats

Monster Mat

The Toughest Mat in the Industry! Z-Pro polypropelene fibres outlast nylon 3:1. Premier shock elimination system. Patented backing system 1 1/8" turf with 5/8" shock pad.

R-161B100

True Tee Pro Mat

The True Tee Pro Mat delivers the most realistic feel next to a natural fairway. Built with 1.4" thick nylon turf over a .6" closed-cell foam base, this 2" think mat provides a lush, forgiving surface that closely replicates real grass. The True Tee Pro 5' x 5' mat is durable, stable, and capable of holding real wooden/plastic tees.

Shock Absorbing Elite Mat

Engineered for maximum comfort and durability, the Shock Absorbing Elite Mat combines 1.4" premium nylon turf with a 0.8" high-density foam base to deliver exceptional shock absorption and joint protection.

Measuring 59" x 59", this 5' x 5' mat provides a realistic strike and stable stance while reducing club recoil and impact stress.

Ideal for high-traffic teaching bays,

simulators, and practice

facilities seeking tour-quality

performance with superior comfort.

Range Balls

Tour Feel

Our TOUR FEEL combines durability, visibility, and consistent flight characteristics to support effective practice sessions. Designed to withstand frequent use and maintain performance standards, making them the perfect solution for your range.

Add your custom logo at no upcharge. Minimum 500 dozen required

RS-109820WST (White w/Black Logo) RS-109820YST (Yellow w/Black Logo)

Limited Flight

Our LIMITED FLIGHT is designed to travel shorter distances than regular golf balls, making them ideal for confined practice areas such as driving ranges with limited space. They offer golfers the opportunity to work on their swings and accuracy without concerns about hitting balls beyond designated boundaries.

Add your custom logo at no upcharge. Minimum 500 dozen required

RS-1097W/BK LT (White w/Black Logo) RS-1097Y/BK LT (Yellow w/Black Logo)

Floater

Our FLOATER is designed to float and travel even shorter distances than the Tour Feel or Limited Flight range ball. They offer golfers the opportunity to work on their swings and accuracy while getting the best use of your unique range space.

Add your custom logo at no upcharge. Minimum 500 dozen required

RS-1099W/R (White w/Red Logo) RS-1099Y (Yellow w/Black Logo)

Driving Range Dividers

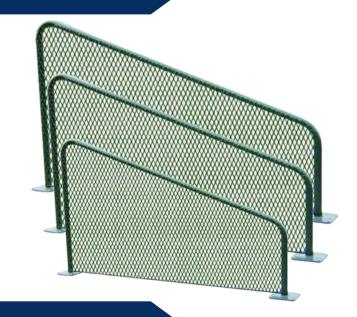

Metal Dividers

Set it and forget it.

Our Heavy Duty golf tee dividers are built to last and are covered in a thermoplastic coating that won't crack, fade, peel or warp over time.

Built tapered mesh design that ensures that balls are quietly and safely directed out of harm's way.

R-1621 Available in 5, 7, 8, or 10 feet

Ball Trays & Pyramids

Rubber Ball Tray

Made of a durable Recycled Crumb-Rubber, our heavy duty Rubber Golf Ball Tray might be the last ball tray you ever buy! 12 pounds, it won't blow away. It is indestructible and super quiet! Holds up to 120 Balls.

Golf Ball Trays allow for golfers to empty the golf balls from their range basket to eliminate double bending (once to grab a ball and a second time to put it on a tee) making for a better range experience and less time between tee-ups. That means golfers will hit more balls in the same amount of time.
